Dear Kenny,

Thank you for speaking at our 2012 Forecast Conference & Tradeshow. The participants in your session agreed that the information was relevant and interesting and they found you to be a very engaging speaker.

Leading up to the conference you seemed genuinely interested in our city and culture and you armed yourself with as much information as you could in that regard. You were extremely easy to work with and a pleasure to add as speaker to our roster.

I sincerely hope you will consider joining us again as you added great value to our conference.

Thanks again, Kenny.

Sincerely,

Dawn van der Helm
